

We want to wish the entire KCS family, parents, students, teachers, administrators, and supporting staff; and our friends and partners of Source Ministries a merry Christmas. May this season we commemorate the birth of our Lord Jesus Christ be a reminder in this season of our lives that He is our Emmanuel, our God with us. No matter what the situation is, we are not alone. He is with us.

From my family to yours, merry Christmas and happy New Year.  
Jean Senga

Our 2023 Year in Review edition will be out soon.

**2024 Partnership**

As we prepare to enter 2024, we would like to extend to you an hand of partnership for the Kingdom of God for the new year.

Please consider giving and praying for the many assignments we have for this coming year. We will be working to set up KCS model schools in different African nations.

Your generous gift will help us, reach out to new communities for the kingdom, introduce young souls to the Lord,

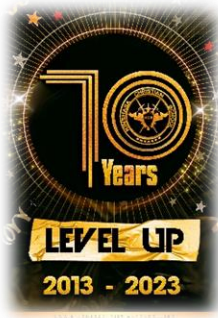

help them academically to know how to respond, and stand for their faith.

It will help us continue to strengthen our current churches and train more ministers for future church plants.

To donate go to our website at [www.sourceministriesinc.com](http://www.sourceministriesinc.com) or by mail at 1417 Ramsgate Lane, Lynchburg, VA 24501. To request the 2024 budget contact us at [msenga@msn.com](mailto:msenga@msn.com).

**Philippians 1:7** just as it is right for me to think this of you all, because I have you in my heart, inasmuch as both in my chains and in the defense and confirmation of the gospel, you all are partakers with me of grace.

**KCS Level Up**

2013-2023, Kinshasa Christian School celebrates this year 10 years of the goodness and faithfulness of God. Indeed, we have seen miracles upon miracles in such a precious relationship with Emmanuel the God with us.

At the dawn of a new decade, we hear very clearly the Lord say, there is more. He wants to take us higher, bring us farther, establish us deeper,

He needs us to level up. That is just what we have set ourselves to do. Academically, we are asking our teachers a greater commitment. For our students, we are asking them to seek excellence in all they do as we train them to grow into women and men of influence and impact. Spiritually, we are challenging the entire KCS family to walk with God and seek His will for everything in our lives.

We are excited and look forward to what God will do with us as we seek to continue to obey him as we level up.

**Source Ministries Churches**

The post-COVID challenges are still heavy on our congregations. The habits learned for those two years have made some who previously attended frequently no longer attend a church.

Our efforts going into this new year are to strengthen the hands of our pastors, to give them necessary tools to engage the congregation and to reach new souls.
